### § 24.710 Period and scope of a limited denial of participation.

(a) The scope of a limited denial of participation shall be as follows:

(1) A limited denial of participation generally extends only to participation in the program under which the cause arose, except: Where it is based on an indictment, conviction, or suspension or debarment by another agency, it need not be based on offenses against HUD and it may apply to all programs.

(2) For purposes of this subpart, participation includes receipt of any benefit or financial assistance through grants or contractual arrangements; benefits or assistance in the form of loan guarantees or insurance; and awards of procurement contracts, notwithstanding any *quid pro quo* given and whether the Department gives anything in return. *Program* may, in the discretion of the authorized official, include any or all of the functions within

the jurisdiction of an Assistant Secretary.

(3) The sanction may be imposed for a period not to exceed 12 months, is limited to specific HUD programs, and shall be effective within the geographic jurisdiction of the office imposing it, unless the sanction is imposed by an Assistant Secretary or Deputy Assistant Secretary in which case the sanction may be imposed on a nationwide basis or a more restricted basis.

(b) *Effectiveness.* This sanction shall be effective immediately upon issuance, and shall remain effective up to 12 months thereafter. If the cause for the limited denial of participation is resolved before the expiration of the 12-month period, the official who imposed the sanction may terminate it. The imposition of a limited denial of participation shall not affect the right of the Department to suspend or debar any person under this part.

(c) *Affiliates.* An affiliate or organizational element may be included in a limited denial of participation solely on the basis of its affiliation, and regardless of its knowledge of or participation in the acts providing cause for the sanction. The burden of proving that a particular affiliate or organizational element is currently responsible and not controlled by the primary sanctioned party (or by an entity that itself is controlled by the primary sanctioned party) is on the affiliate or organizational element.
